Danaher Corporation 2024 Overview

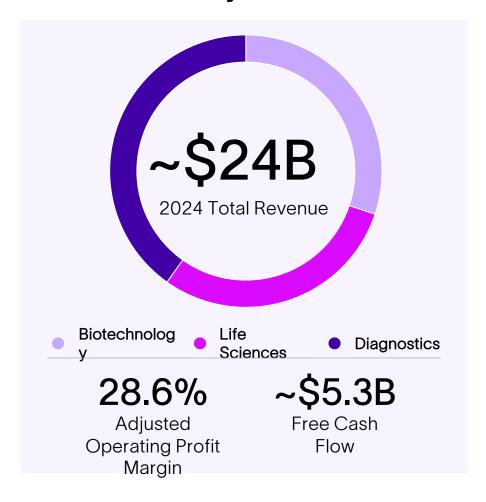

Forward Looking Statements

Statements in this presentation that are not strictly historical, including any statements regarding Danaher's estimated or anticipated financial performance and any other statements regarding events or developments that we believe or anticipate will or may occur in the future are "forward-looking" statements within the meaning of the federal securities laws. There are a number of important factors that could cause actual results, developments and business decisions to differ materially from those suggested or indicated by such forward-looking statements and you should not place undue reliance on any such forward-looking statements. These factors include, among other things: the impact of our debt obligations on our operations and liquidity, deterioration of or instability in the global economy, the markets we serve and the financial markets, uncertainties with respect to the development, deployment, and use of artificial intelligence in our business and products, the impact of global health crises, uncertainties relating to national laws or policies, including laws or policies to protect or promote domestic interests and/or address foreign competition, contractions or growth rates and cyclicality of markets we serve, competition, our ability to develop and successfully market new products and technologies and expand into new markets, the potential for improper conduct by our employees, agents or business partners, our compliance with applicable laws and regulations (including rules relating to off-label marketing and other regulations relating to medical devices and the healthcare industry), the results of our clinical trials and perceptions thereof, our ability to effectively address cost reductions and other changes in the healthcare industry, our ability to successfully identify and consummate appropriate acquisitions and strategic investments, our ability to integrate the businesses we acquire and achieve the anticipated growth, synergies and other benefits of such acquisitions, contingent liabilities and other risks relating to acquisitions, investments, strategic relationships and divestitures (including tax-related and other contingent liabilities relating to past and future IPOs, split-offs or spin-offs), security breaches or other disruptions of our information technology systems or violations of data privacy laws, the impact of our restructuring activities on our ability to grow, risks relating to potential impairment of goodwill and other intangible assets, currency exchange rates, tax audits and changes in our tax rate and income tax liabilities, changes in tax laws applicable to multinational companies, litigation, regulatory proceedings and other contingent liabilities including intellectual property and environmental, health and safety matters, the rights of the United States government with respect to our production capacity in times of national emergency or with respect to intellectual property/production capacity developed using government funding, risks relating to product, service or software defects, product liability and recalls, risks relating to our manufacturing operations, the impact of climate change, legal or regulatory measures to address climate change and other sustainability topics and our ability to address regulatory requirements or stakeholder expectations relating to climate change and other sustainability topics, risks relating to fluctuations in the cost and availability of the supplies we use (including commodities) and labor we need for our operations, our relationships with and the performance of our channel partners, uncertainties relating to collaboration arrangements with third-parties, the impact of deregulation on demand for our products and services, labor matters and our ability to recruit, retain and motivate talented employees. U.S. and non-U.S. economic, political, geopolitical, legal, compliance, social and business factors (including the impact of elections, regulatory changes or uncertainty and military conflicts), disruptions and other impacts relating to man-made and natural disasters, inflation and the impact of our By-law exclusive forum provisions. Additional information regarding the factors that may cause actual results to differ materially from these forwardlooking statements is available in our SEC filings, including our 2024 Annual Report on Form 10-K. These forward-looking statements speak only as of the date of this release and except to the extent required by applicable law, the Company does not assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events and developments or otherwise.

With respect to the non-GAAP financial measures referenced in the following presentation, calculations of these measures, explanations of what these measures represent, the reasons why we believe these measures provide useful information to investors, a reconciliation of these measures to the most directly comparable GAAP measures, as applicable, and other information relating to these non-GAAP measures can be found in this presentation or in the "Investors" section of Danaher's web site, www.danaher.com. All references in this presentation (1) to financial metrics relate only to the continuing operations of Danaher's business, unless otherwise noted; (2) to "growth" or other period-to-period changes refer to year-over-year comparisons unless otherwise indicated; and (3) to operating profit below the segment level exclude amortization. We may also describe certain products and devices which have applications submitted and pending for certain regulatory approvals.

Adjusted (Non-GAAP)			\$	6,840	28.6 %			\$	4,132	20.8 %

Adjusted Operating Profit Margin (Non-GAAP) is defined as Adjusted Operating Profit (Non-GAAP) divided by Sales (GAAP).

A Amortization of acquisition-related intangible assets in the following historical periods (\$ in millions) (only the pretax amounts set forth below are reflected in the amortization line item above):

	Year	Year Ended			
	December 31, 2024	December 31, 2018			
Pretax	\$ 1,631	\$ 706			
After-tax	1,346	563			

- Impairment charges related to a trade name in the Diagnostics segment (\$43 million pretax as reported in this line item, \$32 million after-tax) and a trade name in the Life Sciences segment (\$222 million pretax as reported in this line item, \$169 million after-tax), recorded in the year ended December 31, 2024.
- Costs incurred for the fair value adjustment to inventory related to the acquisition of Abcam plc for the year ended December 31, 2024 (\$25 million pretax as reported in this line item, \$19 million after-tax). Acquisition-related transaction costs deemed significant (\$15 million pretax as reported in this line item, \$13 million after-tax), and fair value adjustments to inventory (\$1 million pretax as reported in this line item, \$1 million after-tax), in each case related to the acquisition of IDT and incurred in the year ended December 31, 2018. The Company deems acquisition-related transaction costs incurred in a given period to be significant (generally relating to the Company's larger acquisitions) if it determines that such costs exceed the range of acquisition-related transaction costs typical for Danaher in a given period.
- Loss on the termination of a commercial agreement in the Diagnostics segment in the year ended December 31, 2024 (\$56 million pretax as reported in this line item, \$56 million after-tax).
- Net gains on resolution of acquisition-related matters in the Life Sciences segment in the year-ended December 31, 2018 (\$9 million pretax as reported in this line. \$7 million after-tax).
- F Pretax costs incurred in the year ended December 31, 2018 (\$15 million pretax as reported in this line item, \$14 million after-tax) related to preparation for the anticipated Dental Separation primarily related to professional fees for legal, tax, finance and information technology services.

² Items reflect operations as reported in 2018, prior to the presentation of the Dental and Environmental & Applied Solutions businesses as discontinued operations.
